DIRECTOR SPOTLIGHT

This year our theme is, "Leadership: Setting the Example." Along with learning more about Jackson County, we have been heavily focused on communication skills.

We have had a record number of applicants in YoJack and a full LJC class. There have been some interesting and insightful conversations and I have been impressed with the leadership qualities demonstrated by our participants.

- Rexanne Ude

YoJACK began its Winter/Spring semester in January with 41 Jackson County students. In February went to Camp Pyoca in Brownstown where the students learned about diversity by participating in some fun activities, as well as listened to a special guest speaking about the value of recognizing and celebrating our differences.

This semester, the students will participate in a consensus building activity by working together to determine the theme for the 2024 Kids Fest, under the guidance of Kate Garrity, Executive Director of Child Care Network in Seymour.

YoJack is looking forward to completing another great semester with a fantastic group of students!

If you or your business would like to help support YoJACK, we are always looking for pizza sponsors for our lunch during our monthly meetings!

If you are interested in being a sponsor, we welcome you to attend a meeting and speak to the students. Please email Karen Haas, YoJACK Director, at yojackindiana@gmail.com.

SPONSOR SHOUT OUT

Special thank you to Schneck Medical Center for supporting LJC & YoJack!

Student Moment- Solomon Rust

2022-2023 Class Graduate

- **Why were you interested in participating in Leadership Jackson County?**
- I was recommended to join by Jordan Richart. Even with my younger brother Joe having done YoJack, my knowledge of LJC was limited to it's existence. I had a feeling that it was a major opportunity, but was never directly exposed to LJC's potential opportunities before joining last year.
- **What was your most impactful take away from participating in the class?**
- Even for lifelong residents that have seen the sites included for the class, visiting the field trip sites as an adult in the LJC setting - with Rexanne jazzing us up the whole time - gave a truly impactful view of not just the sites, but their history & importance to Jackson County. Strangely enough, it was more impactful for me to revisit sites such as the Medora Brick Plant, than to visit never before seen sites, such as the new Anchor House on the east side. Perhaps due to stirring up old memories and contrasting them with new perspectives?

DID YOU KNOW?

We rely on support from local sponsors to help maintain our leadership programs in Jackson County. Our sponsorship packages have been improved include additional sponsorship benefits at each of four giving levels. Financial support in any amount is welcome at any time and we truly appreciate all who are willing and able to support our programs!
